FOUR WORLD
BOOK OF
RECORD HOLDER

Dr. Sahid Cholayil is a humanitarian, serial entrepreneur, and a strong advocate of "technological singularity" in India. Well known as the Founder & Chairman of "Mission 3G" (HQ: IIT Madras Research Park), Dr Sahid's ventures in various businesses spans more than a decade. Mission 3G is an award-winning humanitarian enterprise founded by Dr Sahid as a result of years of research in multiple areas and led by a team of academic experts from Harvard University, Massachusetts Institute of Technology, Indian Institute of Technology (Bombay), Indian Institute of Management (Bangalore) and many other institutes of academic excellence. The organization is currently addressing various problems of third millennium and there by developing solutions to impact humanity by means of human centric designs and naturalistic thinking.

Harvard University Global Systems honored Dr.Sahid Cholayil with the RACE Award in 2018 for his excellence in designing of the "3G Humanitarian Enterprise". In early 2018, Dr.Sahid Cholayil was nominated as the Co-Chairman of the distinguished exclusive business cohort of the India CEO Forum. He is also the Chairman of the Board of "Genius Group Global", a Dubai-based multinational company with business operations in 9 countries over 15 verticals. One of the early adopters of "Personalization" practices in educational designs and research, Sahid was able to develop the "World's First Integrated Career Mapping" for the global education and learning industry. As a known business enthusiast and disruptive thinker, Sahid has received many awards and recognition for his significant contribution to global education. Some of the notable mentions include the ASSOCHAM Education Excellence Award of 2018 and the World Education Award of 2017 in Dubai. Bagged six world book of record
